ENERGIZING LIFE'S WORK

What's new

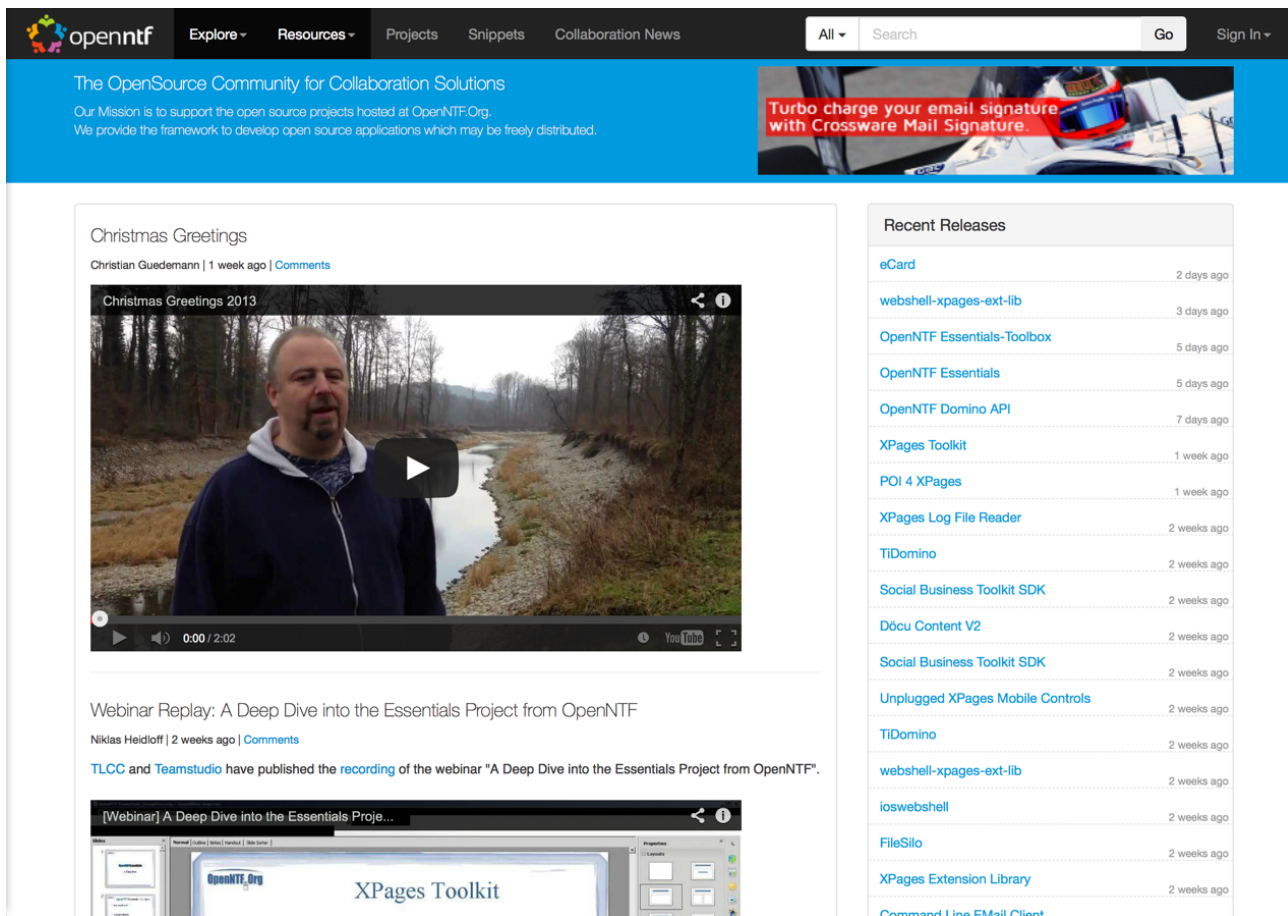

New OpenNTF Logo

What's new

New OpenNTF WebSite

- Bootstrap based design
- Completely rewritten
- All new project page
- Demo ??

The screenshot shows the OpenNTF website interface. The header includes the OpenNTF logo, navigation links (Explore, Resources, Projects, Snippets, Collaboration News), a search bar, and a 'Sign In' button. A blue banner below the header contains the text: 'The OpenSource Community for Collaboration Solutions', 'Our Mission is to support the open source projects hosted at OpenNTF.Org.', and 'We provide the framework to develop open source applications which may be freely distributed.' A red banner on the right says 'Turbo charge your email signature with Crossware Mail Signature.' The main content area features a video post titled 'Christmas Greetings' by Christian Guedemann, with a play button overlay on the video. Below the video is a text post titled 'Webinar Replay: A Deep Dive into the Essentials Project from OpenNTF' by Niklas Heidloff, with a screenshot of the 'XPages Toolkit' interface. The right sidebar lists 'Recent Releases' with links to various projects and their release dates.

OpenNTF: TriggerHappy 2.0 (Update)

Ulrich Krause | 2 hours ago | App Dev - XPages

TriggerHappy 2.0 for Domino on Linux has been released on OpenNTF. It is still BETA and not intended to be used in production.

NotesIn9 136: Using XPages with Bootstrap 3 and FontAwesome

David Leedy | 3 days ago | App Dev - XPages

Ok enough Java. We need something that even Marky Roden might like! In this show Tim Tripcony

OpenNTF Essentials

Tools and Extensions for XPages Developer

IBM Software

Connect2014

January 26–30 Orlando, Florida

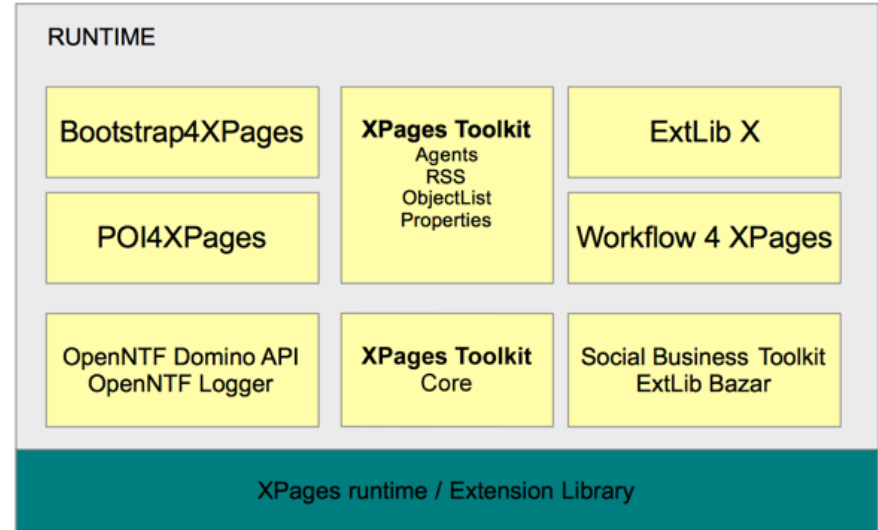

ENERGIZING LIFE'S WORK

OpenNTF Essentials

The next step for OpenNTF

- Productivity
 - Easy to install (less than 5 minutes)
 - State of the art programming
- Quality
 - Hand selected
 - IBM and community projects
 - Synchronization of releases

OpenNTF Essentials

Some Examples how to be more productive

- Example I - “We need this application with a responsive design”
 - Using Bootstrap 3 with few clicks
- Example II - “Could you please export this table as a spreadsheet?”
 - Using POI 4 XPages to generate a spreadsheet
- Example III - “Vectors & Recycling? Are you kidding me?”
 - Using OpenNTF Domino API for recycle free programming

ENERGIZING LIFE'S WORK

Project: Social Business Toolkit SDK

- Build your social apps with the SDK
 - Leverage IBM Collaboration Solutions
 - Simplify Development
 - Speed Up Deployment
- Services
 - Profiles, files, status updates, tasks, forums and much more
- Access to services
 - Java and JavaScript APIs
 - Generic REST calls
 - Reusable UI controls

Social Apps

Build your social apps with Social Business Toolkit SDK.

JAVA JAVASCRIPT XPAGES

The screenshot shows the IBM Greenhouse Playground interface. On the left is a project explorer with folders like Authentication, SampleApps, Social, and Activities. The main area is a code editor with a 'New Script' button and tabs for HTML, JavaScript, CSS, Properties, and Documentation. The JavaScript tab is active, showing a template for a social app with various event handlers and UI controls.

Leverage IBM Collaboration Solutions	Simplify Development	Speed Up Deployment
You can use IBM Connections, IBM SmartCloud for Social Business and IBM Domino as infrastructure for your apps.	The SDK provides easy-to-use Java and Javascript APIs and simplifies the handling of various authentication mechanisms.	Your apps can be deployed on different environments without changing the code by simply changing configurations.

Demo: Social Business Toolkit SDK

Are costs for parents covered when child in hospital?

I have a potential customer who is looking for a health insurance for his child. He has a question that I couldn't find any information about in the brochure. Are costs for parents covered when his child is in a hospital?

Support Team

[Suggested Experts](#)

10 minutes ago

Team, the brochure does indeed not define this. Any ideas?

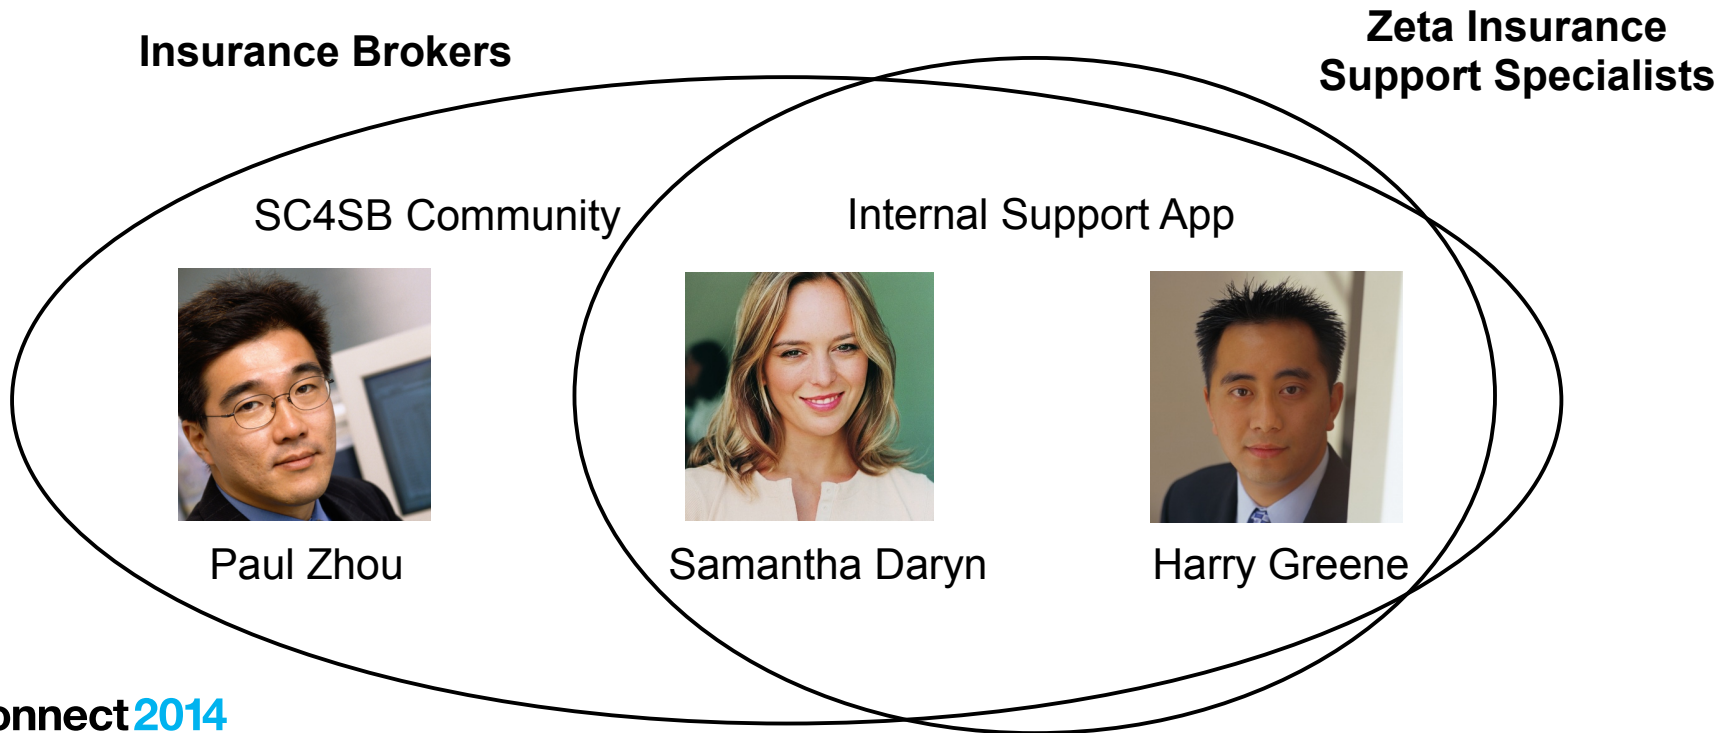

Harry Greene

moments ago

Good catch. I'll update the brochure. Yes, if the child is younger than 12, one parent can stay.

Project: Partner Community
